Application Information

General Information

Council will only accept search requests submitted using this application form. Applications can be submitted via post, email, in person or lodged online via Townsville Online Products and Services (TOPS) - townsville.qld.gov.au/payments-rates-and-permits/online-reports-and-searches

Applications will only be processed upon receipt of payment unless you have an account with Council. Please note that a credit card processing fee of 0.5% applies to payments made by Visa or Master Card. Exemptions may apply.

Applications are unable to be cancelled/refunded once completed.

Item 1 - Full Rate & Property Search

Council recommends this search when purchasing a dwelling or vacant land. A Property Search includes the following information:

- Ownership details
- Property address and real property description including property area
- Rateable valuation information
- Rates and water levies including any arrears, interest charges and concessions
- Property zoning information
- Flood report
- Storm tide report
- All services plan
- Environmental permits & licenses
- Trade waste approvals
- Planning & development requisitions
- Heritage information

Should a special water meter read be required, please select item 4 on the application form. Please note there is an additional charge for this service.

Individual Searches

Item 2 - Ownership Search

- Provides name and postal address details
- Property address and real property description

Item 3 - Statement of Rating Position

- Provides current rates position including rates levied, arrears, interest and concessions to the owner or an agent acting for the vendor

Item 4 - Special Water Meter Reading

- Provides current water meter reading, water meter number and date of reading
