

# Works Notification

## Update 3 - Alma Bay Pedestrian Bridge Deck Removal

Monday, 3 March 2025

### What works are coming up?

Work to remove the deck of the Alma Bay Pedestrian Bridge will resume following the recent tropical low that impacted communities in North and Far North Queensland.

Council paused these works in February as the wet weather had eroded the structure and surrounds, making the ground unsafe for this type of work to continue.

The barricades and signage at the bridge are in place to ensure the entire community's safety. Council legally requires these measures to be in place due to the unsafe condition of the bridge and the risk of potential collapse. Please report any tampering with or removing the barricades and signage to Council. Your assistance in this matter is greatly appreciated.

Council is committed to keeping the community informed as this project's delivery progresses. We will continue to provide updates on our progress and any changes to the schedule.

### When will the works take place?

<b>Location</b>	Alma Bay Beach, Alma Bay
<b>Timing</b>	On <b>Tuesday, 4 March 2025</b> , Council expects the removal of the remaining deck and associated infrastructure to take <b>one (1) day</b> to complete, weather permitting.
<b>Hours</b>	Regular work hours are from <b>6am to 6pm, Monday to Saturday</b> . In exceptional cases, work may be required outside these hours.

### Funding

This project is funded by Townsville City Council.

### What will the works include?

- Removal of the concrete bridge deck
- Installation of permanent barriers to prevent pedestrian access to the remaining structure

### What does this mean for me?

If you live in or are travelling through the area, you may experience:

- construction machinery and vehicle movement
- increased levels of dust, noise, and vibrations
- temporary traffic changes, including lane and road closures, minor traffic delays and reduced speed limits.

### Contact us
