UPDATE – Mitchell, Gregory, and Eyre Street Pathway Upgrade – Phase Three, Part One

Monday, 24 March 2025

What works are coming up?

Townsville City Council is preparing to commence Phase Three of this project. Phase Three involves upgrading the pathway on the western side of Gregory Street, extending from Eyre Street to Mitchell Street. Council will deliver this phase of the project in three parts. The first section will begin in front of the Hotel Allen while it is closed for renovations. We will ensure that we maintain access to surrounding businesses during construction; however, customers and staff will temporarily lose on-street parking in the affected area.

When will the works take place?

Location	Fronting the Hotel Allen, on the corner of Gregory and Eyre Streets.
Timing	From Tuesday, 25 March 2025 and are expected to take three (3) weeks to complete, weather permitting.
Hours	Normal work hours are from 6am to 6pm Monday to Saturday . In exceptional cases, work may be required outside these hours.

What will the works include?

As part of the project, works will include:

- Traffic management and installation of temporary fencing
- Removal of existing pavers and associated materials
- Preparation of formwork and commencement of concrete pours
- Application of two coats of sealer.

Once the work is completed, we will clean the site, remove the temporary fencing, and reopen the pathway and the road to the public.

What does this mean for me?

Council assures businesses that access will remain open throughout the project. We will make every effort to minimise disruptions and keep stakeholders updated.

If you live in or are travelling through the area, you may experience:

- Construction machinery and vehicle movement.
- Increased levels of dust, noise, and vibrations.
- Temporary traffic changes, including lane closures, minor traffic delays and reduced speed limits.
- Temporary loss of on-street parking and disruption to the outdoor dining areas.

Funding

Proudly funded by the Queensland Government's Works for Queensland program in association with Townsville City Council.
