Thanks Kirsten - This all looks appropriate to address the SARA referral matter from my point of view.

If you could please update DA Form 1 to note the Ergon Referral, as highlighted below, and lodge both the updated form and plans to developmentassessment@townsville.qld.gov.au, the Confirmation Notice can be finalised and issued in the coming days.

Thanks again,
Taryn

Subject: RE: MCU24/0107 - 15 Hartley Street Garbutt

Hi Kirsten,

Thank you for providing this correspondence.

Based on the advice from SARA, it appears that in order to avoid the trigger associated with the rail corridor, a separate 'premises' outside of the 25m buffer area will need to be defined. This will require DA Form 1 to be updated to include the co-ordinate boundaries that are being applied over within Lot 581 EP 1760. An updated plan defining this area would also be required.

As it stands, DA Form 1 nominates the entirety of Lot 581 as being subject to the application which, based on my reading of SARA's advice, would result in the application triggering referral.

In accordance with the above, it is requested that an updated DA Form 1 be provided, either:

- Defining the proposed 'premises'; or
- Confirming the relevant referral.

In any case, it is requested that DA Form 1 be updated to identify the Ergon referral and early referral agency response provided.

If the above can be provided by CoB 28 October 2024, this will negate the need for an Action Notice for this matter.

Thanks again Kisten, and please do not hesitate to contact me to discuss further, as necessary.

Kind Regards,

Taryn Pace

Thanks for your time on the phone. As discussed here is the email from North Queensland SARA, where Kirsty notes that we should define the premises as only being part of the lot.
